The main diagram illustrates the assembly of the glass panel (07) into the frame (08). Dashed lines indicate the placement of components: two corner brackets (H) are inserted into the top-left and bottom-left corners, and two corner brackets (G) are inserted into the top-right and bottom-right corners. Four screws (F) are used to secure the brackets. Two circular callouts provide detailed views of the corner bracket installation:

- 1°**: Shows bracket H being inserted into the frame corner.
- 2°**: Shows screw F being tightened into bracket H.

Additional callouts show bracket G being inserted into the frame corner and then secured with a screw.

- Limpar apenas com pano de algodão umedecido em água com sabão neutro, álcool ou produtos de limpeza multiuso;
- Não utilize produtos abrasivos, solventes ou removedores;
- O não cumprimento das recomendações de instalação e limpeza pode acarretar na perda da garantia de fabricação.

- Limpiar únicamente con un paño de algodón humedecido en agua con jabón neutro, alcohol o productos de limpieza multiusos;
- No utilice productos abrasivos, solvente o removedores;
- El incumplimiento de los requisitos de instalación y limpieza puede resultar en la pérdida de la garantía de fabricación.

- Clean only with a lightly damp cotton cloth with neutral soap, rubbing alcohol or all-purpose cleaning products;
- Do not use abrasive or solvent products;
- Failure to comply with the installation and cleaning requirements may result in the loss of the manufacturing warranty.
