GARANTÍA E INSTRUCCIONES DE LIMPIEZA Y MANTENIMIENTO / WARRANTY AND CLEANING AND CARE INSTRUCTIONS

Nuestros productos están garantizados contra defectos de fabricación por 90 días, a partir de la compra. Ao constatar un problema protegido por la garantía, póngase en contacto con la tienda donde se adquirió el producto. Ella estará capacitada para atenderlo de la mayor manera de acuerdo con cada caso.

Our products are guaranteed against manufacturing defects for 90 days from the date of purchase. When you find a problem covered by the warranty, please contact the store where the product was purchased. The store be able to serve you in the best way in each case.

Desgaste natural ou danos causados por água, maresia, ferrugem, incêndio, calor, cupins e pragas em geral.
Montagem, manutenção e uso inadequado. Não cumprimento das recomendações técnicas do esquema.
Montagens e desmontagens após a primeira instalação. Instalações elétricas e outras afins.

A Linha Brasil não autoriza nenhuma pessoa, loja ou entidade assumir em seu nome qualquer outra garantia que não conste no certificado. A fabricante reserva-se no direito de efetuar nos produtos eventuais modificações que considerar necessárias, sem prejudicar as características essenciais. Os produtos terão peças de assistência para reposição no período de 1 ano a contar de sua retirada do mercado, desde que haja matéria-prima equivalente, observando o dispositivo no Art.32 da Lei 8.078/90 (Cód. Defesa do Consumidor). O atendimento para produtos fora de linha é feito por programação especial, através da loja revendedora sob aprovação de consulta prévia ao fabricante.

Desgaste natural o daños causados por agua, niebla salina, óxido, fuego, calor, termitas y plagas en general.
Mantenimiento y uso inadecuado.
Incumplimiento de las recomendaciones técnicas del esquema. Montaje y desmontaje tras la primera instalación.
Instalaciones eléctricas y otras similares.

Línea Brasil no autoriza a nenhuma pessoa, tienda o entidade a assumir in su nombre cualquier otra garantía que no figure in el certificado. El fabricante se reserva el derecho de efectuar in los productos eventuales modificaciones que considere necesarias, sin perjudicar las características esenciales. Los productos tendrán piezas de asistencia para reposición in el período de 1 año a partir de su retirada del mercado. La atención para productos fuera de línea es hecha por programación especial, a través de la tienda revendedora bajo aproación de consulta previa al fabricante.

Natural wear and tear or damage caused by water, sea spray, rust, fire, heat, termites and pests in general. Improper assembly, maintenance and use. Failure to comply with the technical recommendations of the scheme. Assembly and disassembly after the first installation. Electrical and other related installations.

Linea Brasil does not authorize any person, store or entity to assume on its behalf any other warranty that does not appear on the certificate. The manufacturer reserves the right to make in the products any modifications that it considers necessary without prejudice to the essential characteristics. The products will have replacement parts within one year of being withdrawn from the market. The service for off-line products is done by special programming, through the store reseller under prior consultation with the manufacture.

Para quitar el polvo, utilice un paño seco, un plumero o una aspiradora. Si es necesario, para una limpieza más eficaz, utilice un paño ligeramente humedecido con agua. Termine con una franela limpia y seca. Evite materiales abrasivos, humedad y calor.

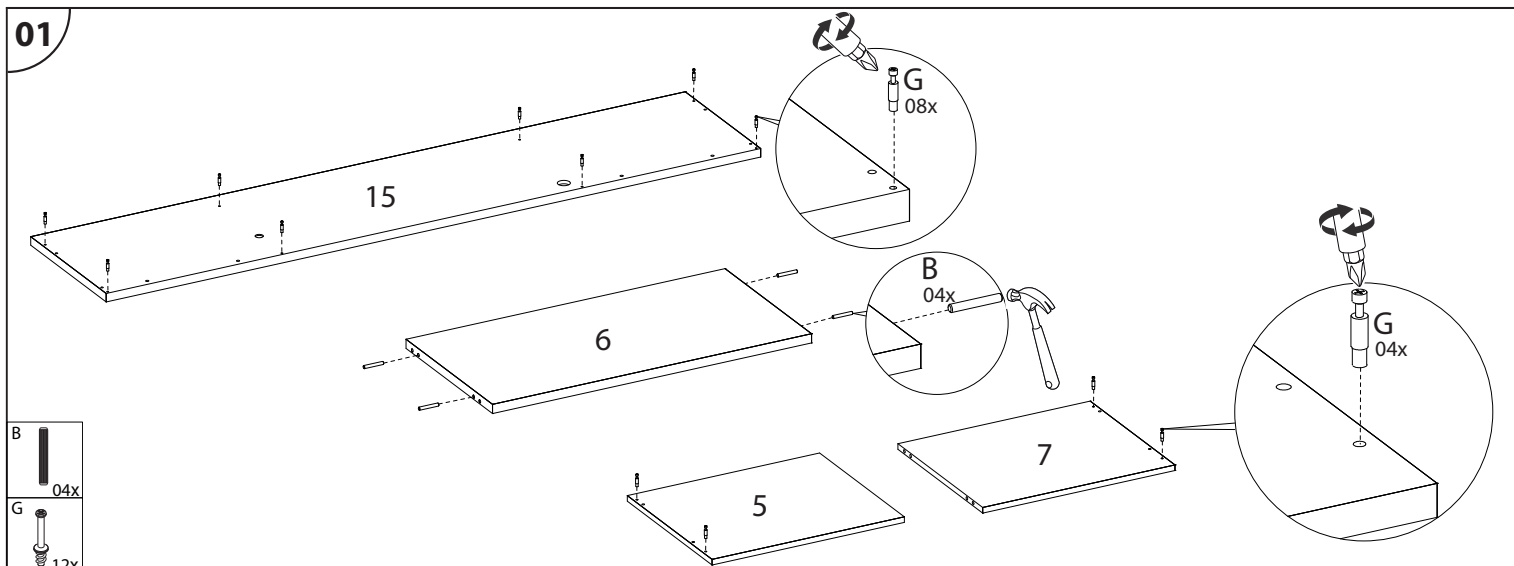

To remove dust, use a dry cloth, duster or vacuum cleaner. If necessary, for more effective cleaning, use a cloth slightly dampened with water. Finish with a clean, dry flannel. Avoid abrasive materials, humidity and heat.

The products will have replacement parts within one year of being withdrawn from the marke. the service for off-line products is done by special programming, through the store reseller under prior consultation with the manufacture.

Para quitar el polvo, utilice un paño seco, un plumero o una aspiradora. Si es necesario, para una limpieza más eficaz, utilice un paño ligeramente humedecido con agua. Termine con una flanela limpia y seca. Evite materiales abrasivos, humedad y calor.

To remove dust, use a dry cloth, duster or vacuum cleaner. If necessary, for more effective cleaning, use a cloth slightly dampened with water. Finish with a clean, dry flannel. Avoid abrasive materials, humidity and heat.
