The products' assembly system works according to the increasing order of the indicated numbers. For example: 01, 02, 03, 04 ... to the end of the assembly.

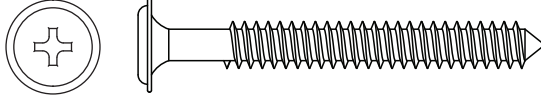

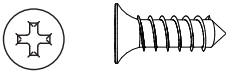

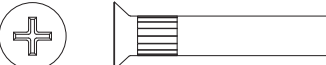

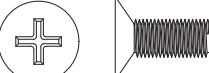

TECHNICAL ASSISTANCE

To request Technical Assistance, the consumer must contact the retailer from whom you purchased this product and request technical assistance for the damaged parts. The warranty covers all parts, parts and components that may eventually present a manufacturing defect within a period of 03 (three) months, counting from the delivery of the product to the consumer, by means of a purchase invoice. If there is any change in the structure of the product or defect occurs due to negligence of the assembler/consumer in relation to the assembly and handling instruction, free technical assistance will not be provided.
