## MONTAGEM DA BANQUETA

1

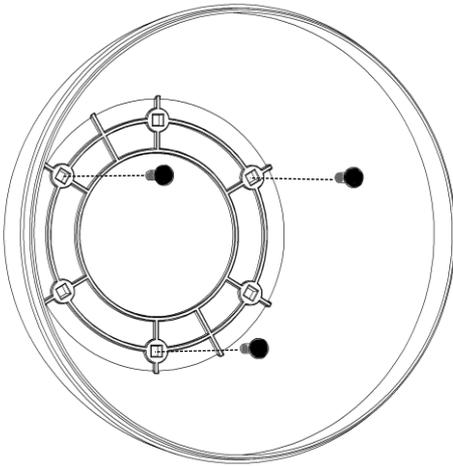

Junte as faces planas e alinhe os furos das peças.

2

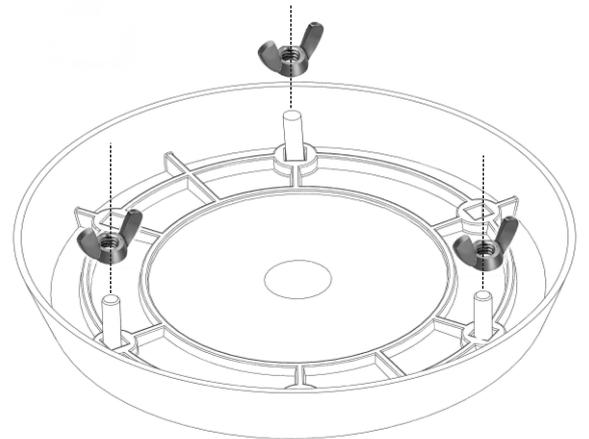

Colocar os Parafusos no locais indicados com a letra A

3

Insira os parafusos nos respectivos furos conforme indicado.

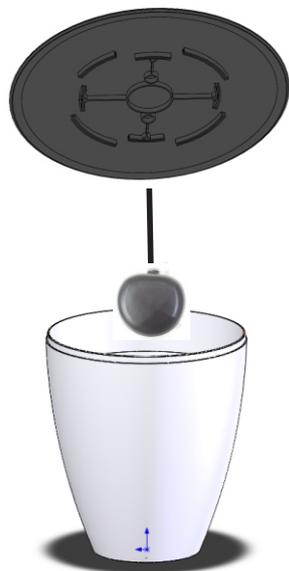

4

Coloque e aperte as porcas borboletas nos parafusos correspondente.

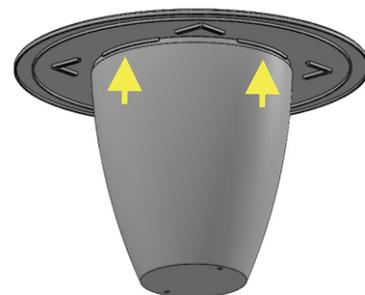

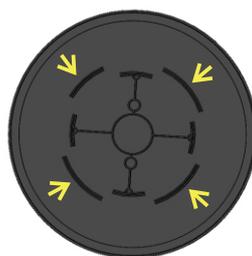

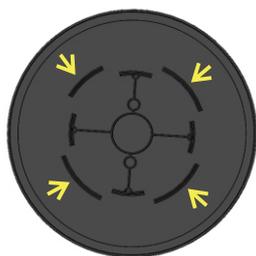

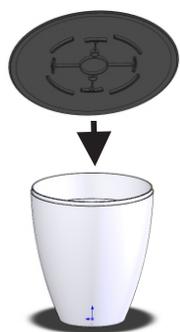

Deve-se colocar areia dentro do Lustre antes de colocá-lo dentro da mesa.

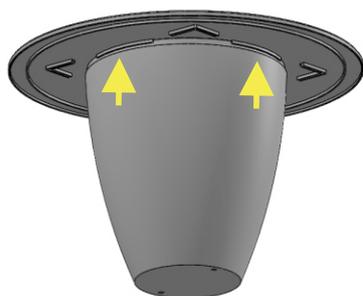

Antes de encaixar o tampo na banqueta, deve-se colocar o lustre com areia dentro. Conforme ilustra foto ao lado.

## MANUAL ENCAIXE TAMPO

Deve-se encaixar o tampo na banqueta, conforme ilustra fotos acima. Atentar-se aos furos do tampo e banqueta. O mesmo deve estar alinhado ao outro.

Após encaixar o tampo de mesa, deve-se parafusar na banqueta. Há 4 pontos no tampo para ser colocado o parafuso que irá passar entre o tampo e a banqueta. Mantendo o produto um fixo ao outro.
