ATENÇÃO! Antes de iniciar a instalação do Painel, verificar as condições da parede quanto à resistência para suportar o peso e ao posicionamento de tubulações elétricas, de água e de gás, evitando danos a estas estruturas ao executar os furos. A Gelius Móveis não se responsabiliza por problemas decorrentes de imperícia ou erros na montagem de seus produtos por terceiros.

!ATENCIÓN! Antes de iniciar la instalación, verificar todas las condiciones de la pared, sobretodo cuanto a la resistencia para el peso y la existencia de líneas hidráulicas, de gas y eléctricas, evitando danos a estas estructuras quanto ejecutar los agujeros. Gelius Móveis no se responsabiliza por problemas causados por inexperiencia o por errores en la montaje y instalación de sus productos por terceros.

ATTENTION! Before starting the installation, check all the conditions of the wall, notably regarding resistance and weight support and the existence and position of hydraulic, gas and electrical lines, avoiding damage to these structures when running holes. Gelius Móveis not responsible for problems caused by inexperience, inadequacy or failure to follow due recommendations in the assembly and installation of their products by third parties.

Definir o local e a altura em que se pretende instalar o painel e marcar na parede a posição dos furos para fixação, tomando como referência os furos do próprio painel.

ATENÇÃO! Ao marcar a posição dos furos na parede, certificar-se de que o painel ficará nivelado.

Establecer el lugar y la altura en que se desea instalar el panel y marcar en la pared la posición de los agujeros para fijación, tomando como referencia los agujeros del propio panel.

!ATENCIÓN! Al marcar la posición de los agujeros en la pared, asegúrese de que el panel está nivelado.

Define the location and height at which the panel is to be installed and mark the position of the fixing holes on the wall.

ATTENTION! When marking the position of the holes in the wall, make sure that the panel will be leveled.

Com a furadeira e broca apropriada (não fornecidas com o produto), fazer os furos na parede.

Con perforadora y taladro (no incluidos en el producto), hacer los agujeros en pared.

With drilling machine and drill (not supplied with the product), make the holes in the wall.
