CUIDADOS E MANUTENÇÃO

- Após desembalar o produto, guarde a embalagem original caso precise devolvê-lo por algum motivo.
- Certifique-se de que todos os acessórios e peças estejam presentes antes de iniciar a montagem.
- Nunca arraste ou empurre os produtos, pois isso pode danificar as juntas, comprometendo sua qualidade.
- Recomendamos enfaticamente que mantenha as crianças afastadas da sua área de trabalho.
- Recomendamos que coloque um cobertor ou lençol no chão para evitar danos tanto ao piso quanto ao produto.
- Instale este produto o mais próximo possível de sua posição final.
- Não coloque este produto sob luz solar direta.
- Não arraste ou empurre objetos sobre seus móveis de alto brilho, pois isso pode riscar a superfície.
- A madeira é um produto natural e pode expandir-se se exposta ao calor e contrair-se exposta ao frio.
- Portanto, recomenda-se manter a temperatura ambiente, sem flutuações bruscas de temperatura.
- Certifique-se de limpar imediatamente qualquer líquido derramado.
- Não coloque alimentos quentes ou frios diretamente sobre a superfície; use um jogo americano ou ficará com marcas.
- Para limpeza geral, use um pano macio de algodão ou microfibra e não utilize detergentes de nenhum tipo.
- Ocasionalmente, pode ser necessário apertar as conexões; inspeções regulares devem ser realizadas.
- Não coloque em piso molhado ou úmido, pois podem surgir manchas no chão.

Após a montagem, utilize um produto de limpeza à base de álcool apagar os números impresso nas peças que são visíveis.

AVISO

A queda de móveis pode causar ferimentos graves ou fatais. Para evitar isso, recomendamos fixar os móveis permanentemente à parede.

Os suportes de parede não estão incluídos neste produto, pois diferentes materiais de parede exigem diferentes tipos de dispositivos de fixação. Certifique-se de usar fixadores adequados para as paredes da sua casa.
