- In order to adjust correctly the door, please observe the picture. In order that the doors stay at the same level the adjustment should be done through the screw A493 from A490 accessory.
- Para ajustar correctamente la puerta, por favor observe la imagen. Para la permanencia de puertas en el mismo nivel el ajuste deberá ser hecho por el tornillo A493 del accesorio de A490.
- Pour ajuster correctement la porte, observez s'il vous plaît l'image. Afin que les portes soient au même niveau l'ajustement devrait être fait par la vis A493 de l'accessoire A490.
- Para o ajuste ideal das portas, observe a foto em destaque. Para que as portas fiquem no mesmo nível, o ajuste deverá ser feito através do parafuso A493 do acessório A490.
