A diagram of a square plate labeled '1' supported by four vertical columns labeled 'C'. Four points on the top surface of the plate are labeled 'B'.

Technical drawing of a three-tiered open shelving unit. The unit consists of a base (1), three shelves (2, 3, 4), and a top panel (5). The unit is supported by four legs (6). Dimension lines (D) indicate the overall height, width, and depth of the unit, as well as the height of the shelves and the distance between them.

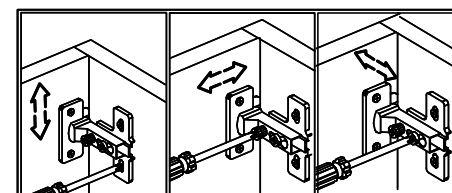

D
12x

A 3D perspective diagram of a rectangular prism. The front face is labeled with a large '7' in the center. The left face has a vertical column of eight 'E' labels, each with a line pointing to the face. The right face has a vertical column of eight 'E' labels, each with a line pointing to the face. The top face has a single 'E' label with a line pointing to it. The bottom face has a single 'E' label with a line pointing to it. The front face has two 'F' labels, each with a line pointing to a small square on the face. The back face has a single 'E' label with a line pointing to it. The prism is supported by four vertical legs at the bottom corners.
