Parabéns pela sua compra!
Você acaba de adquirir um móvel de excelente qualidade, fabricado com MDP estruturado, garantindo resistência e durabilidade.
Utilizamos parafusos reforçados, dobradiças metálicas e corrediças premium, escolhidos entre os melhores do mercado.

Para facilitar a montagem, escaneie o QR Code ao lado e acesse nosso guia prático.

Se você comprou online, sua avaliação positiva é muito importante para nós! Isso nos ajuda a continuar oferecendo produtos e atendimento de alta qualidade.

Obrigado por NOS ESCOLHER!!!

Prego 10x10		

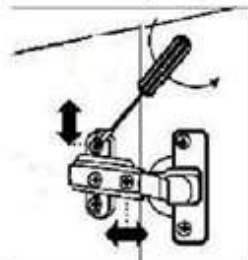

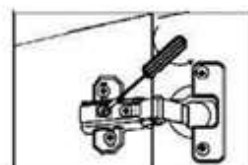

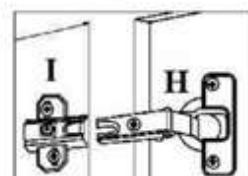

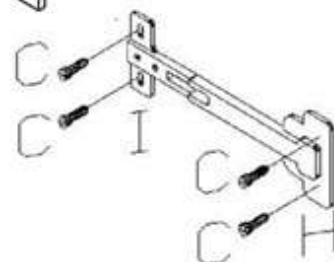

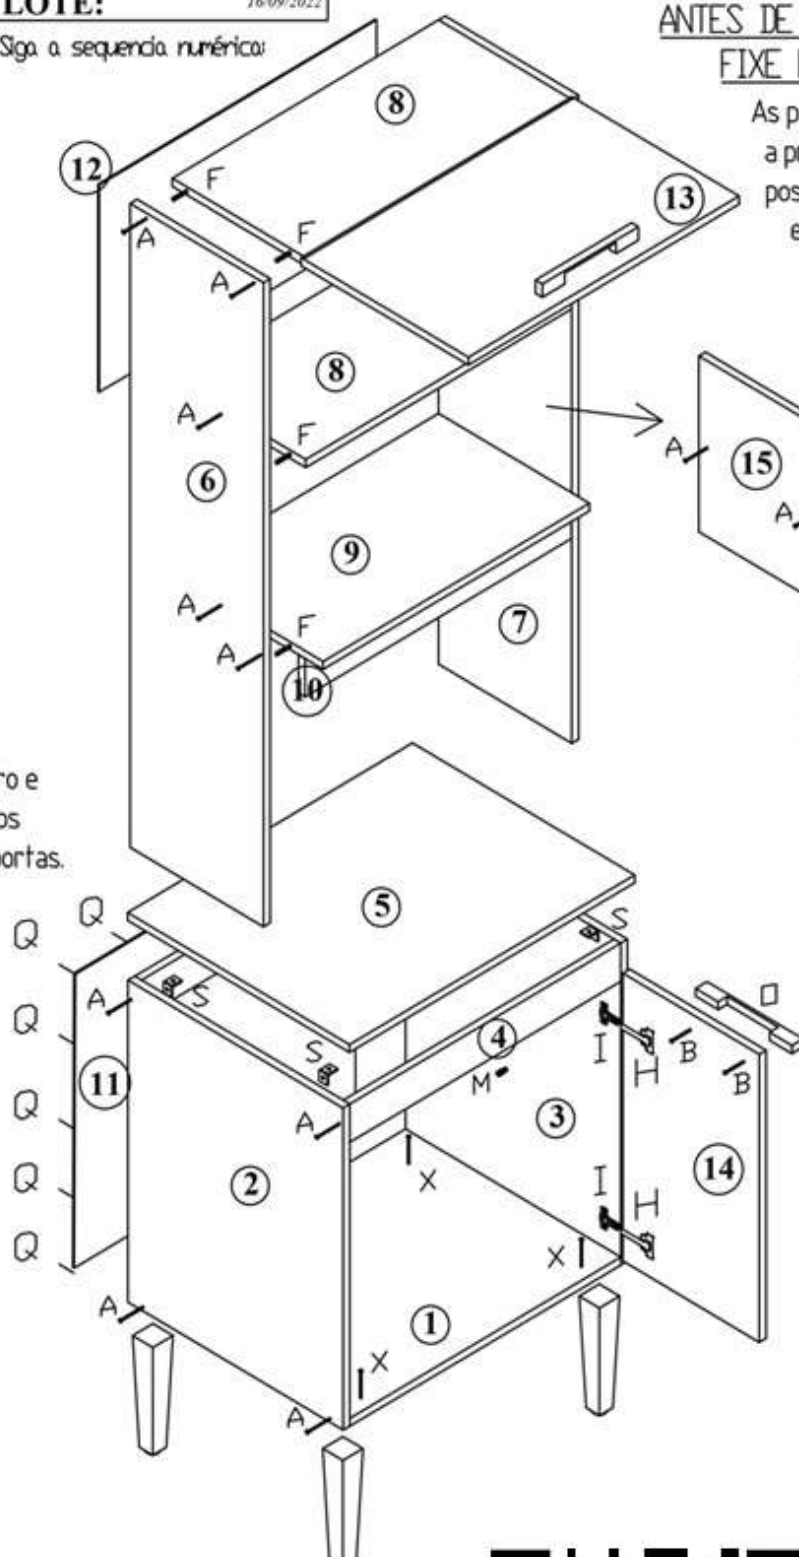

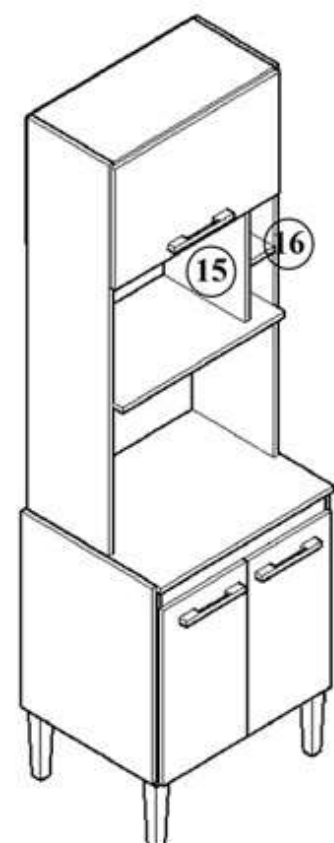

Siga a sequência numérica:

ANTES DE INICIAR A MONTAGEM FIXE OS PÉS NA BASE

As peças "12" são um reforço para a prateleira do forno/micro, não possui furação, e deve encostar embaixo da prateleira e ser parafusada na lateral.

Montagem do Nicho decorativo que vai ao lado do microondas. Esse nicho não é parafusado na Torre, ele vai apenas embutido por pressão, para que o consumidor possa retirar ele caso precise de mais espaço para o microondas.

---> Coloque o móvel no esquadro e fixe os fundos (8 e 9) com pregos 10x10 (Q), antes de colocar as portas.
