CUIDADOS E MANUTENÇÃO

- Após desembalar este produto, por favor, guarde a embalagem original caso seja necessário devolvê-lo por qualquer motivo.
- Certifique-se de que todas as peças e acessórios estejam presentes antes de iniciar a montagem.
- Recomendamos que você coloque um cobertor ou lençol no chão para evitar danos ao piso e ao produto.
- Recomendamos fortemente que mantenha as crianças afastadas da área de trabalho.
- Monte este produto o mais próximo possível de sua posição final.
- Nunca arraste ou empurre os produtos, pois isso pode danificar as junções, tornando-os inferiores.
- Não arraste nem empurre itens sobre os móveis, pois isso pode causar riscos na superfície.
- Não posicione este produto próximo a radiadores ou sob luz solar direta.
- A madeira é um material natural e pode expandir ou encolher se exposta à umidade e pode rachar ou empenar se exposta ao calor. Por isso, recomenda-se manter a temperatura ambiente estável, sem variações bruscas.
- Certifique-se de limpar imediatamente qualquer líquido derramado.
- Não coloque objetos quentes ou frios diretamente sobre a superfície; use um descanso de panela ou suporte adequado.
- Para limpeza geral, use um pano macio ou de microfibra seco e não utilize detergentes ou produtos químicos agressivos.
- Não coloque o produto em piso molhado ou úmido, pois pode manchar seu piso. De tempos em tempos, pode ser necessário apertar os encaixes; inspeções regulares devem ser realizadas.
