Ferragens

Montante

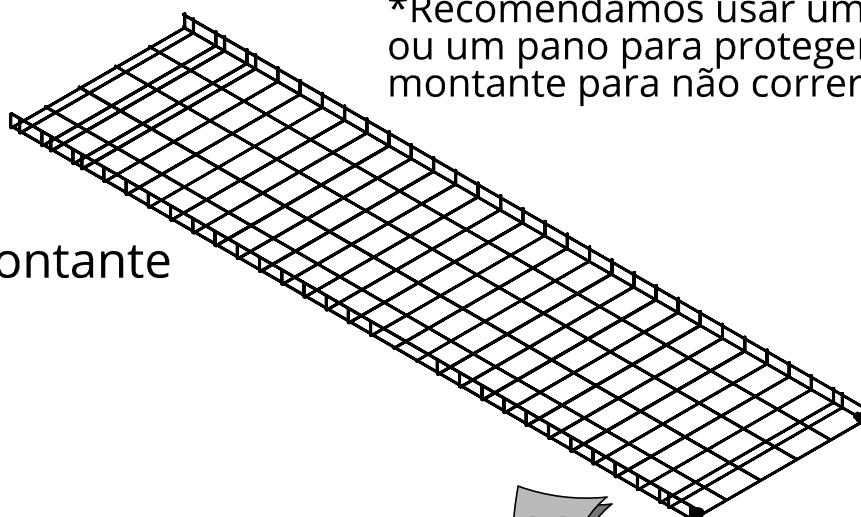

Aplicar as sapatas niveladoras.

Para iniciar a montagem,
posicione o Montante conforme
a imagem.

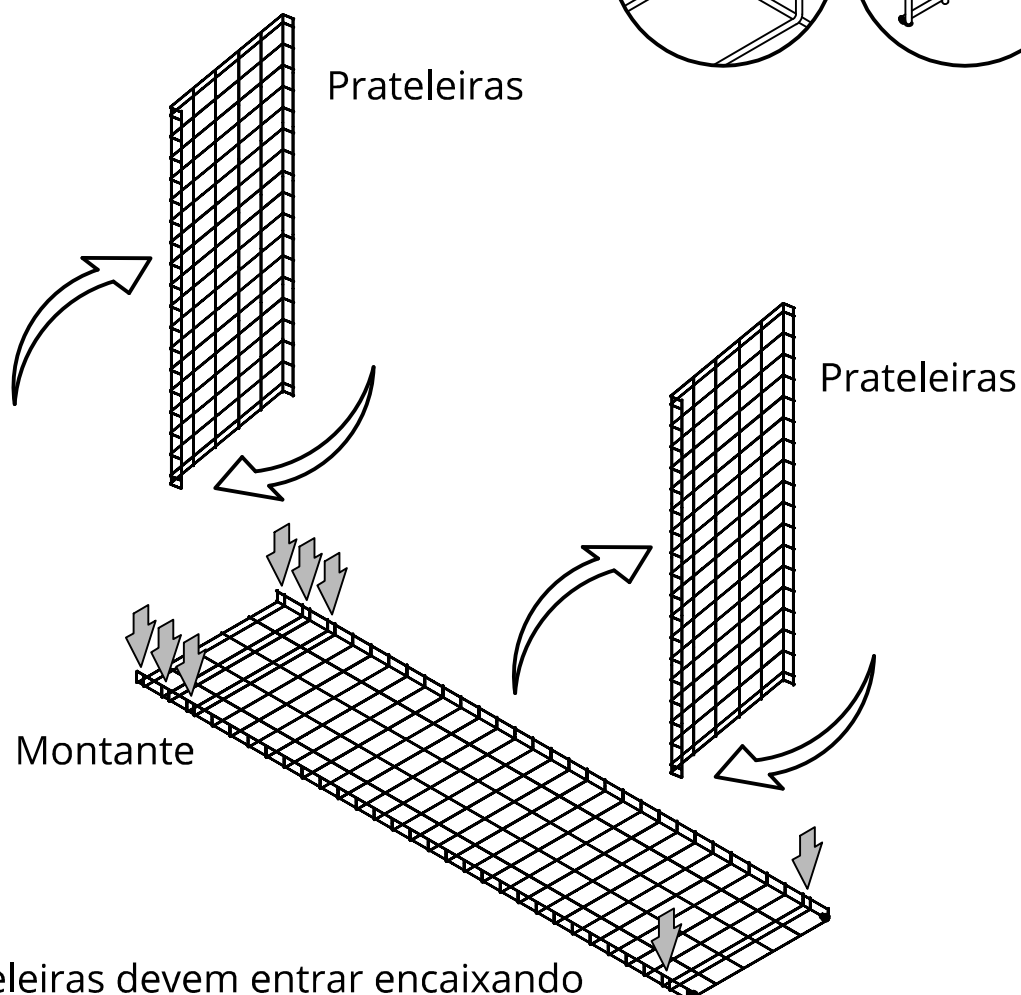

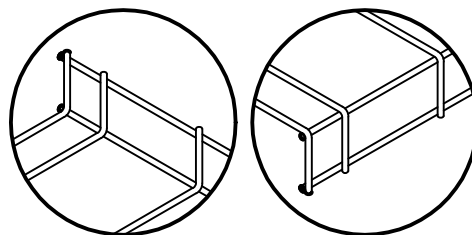

*Recomendamos usar um papelão
ou um pano para proteger o
montante para não correr o risco de riscar.

Montante

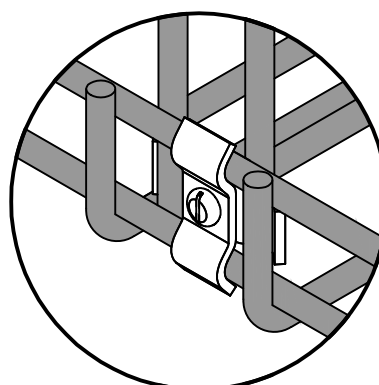

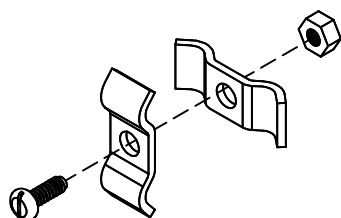

Encaixar as prateleiras nas posições desejadas.

*As prateleiras podem ser montadas com as bordas para cima ou para baixo.

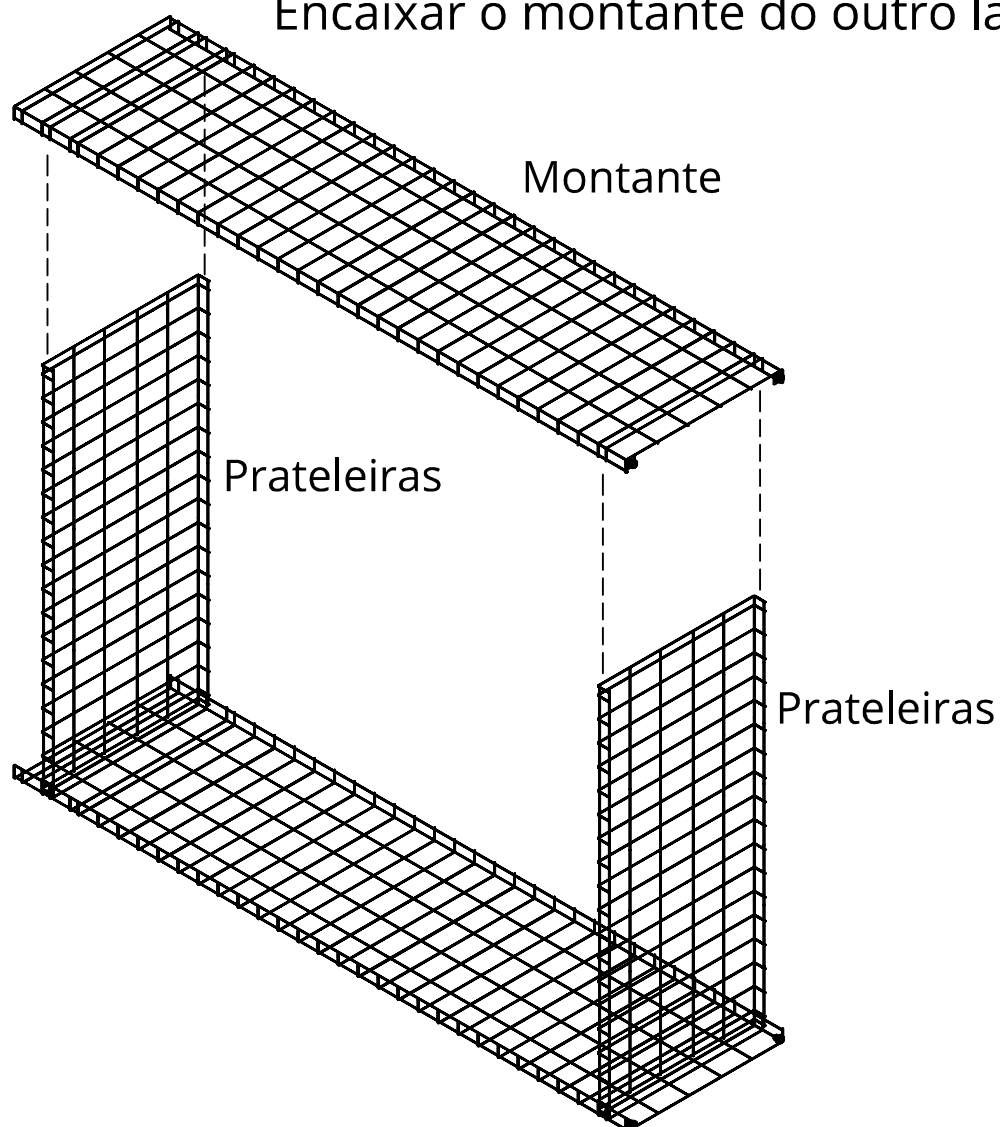

*As prateleiras devem entrar encaixando um pouco inclinada para depois girar o outro lado para terminar o encaixe.

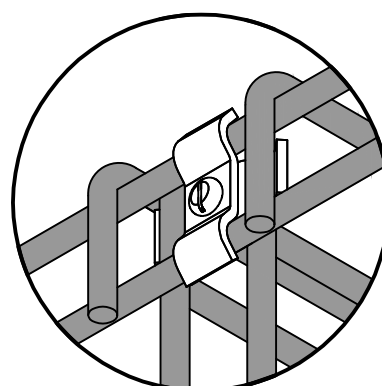

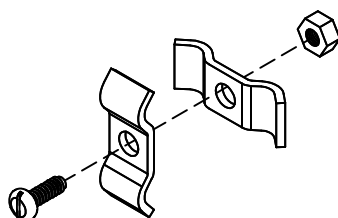

Utilizar as ferragens para prender conforme desenhos abaixo.

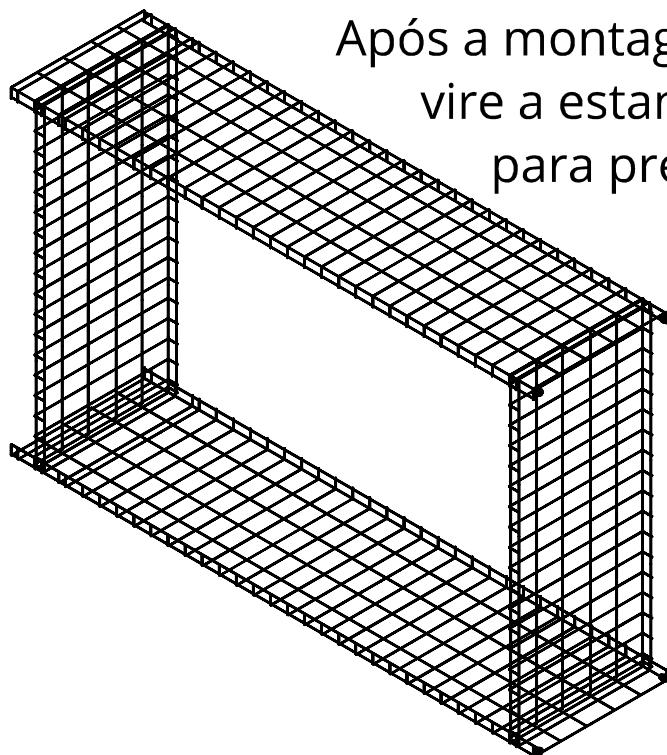

Encaixar o montante do outro lado .

Utilizar as ferragens para prender conforme desenhos abaixo.

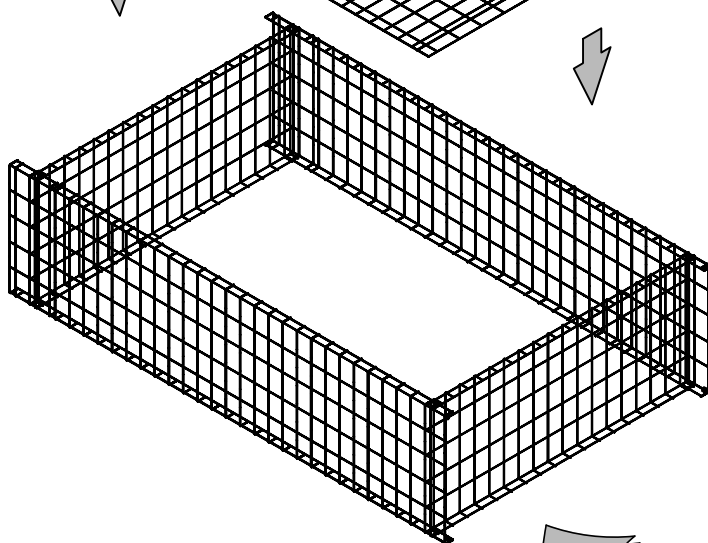

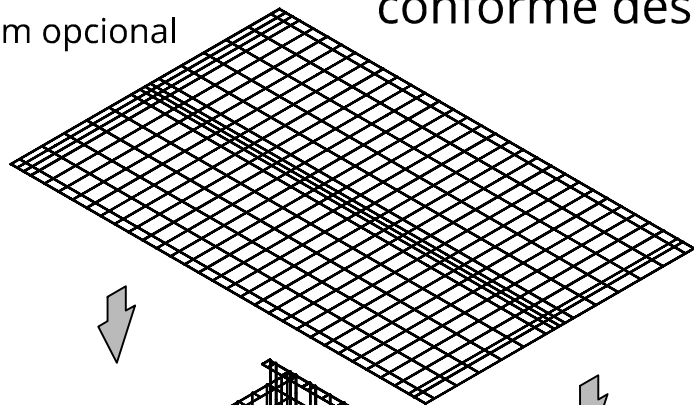

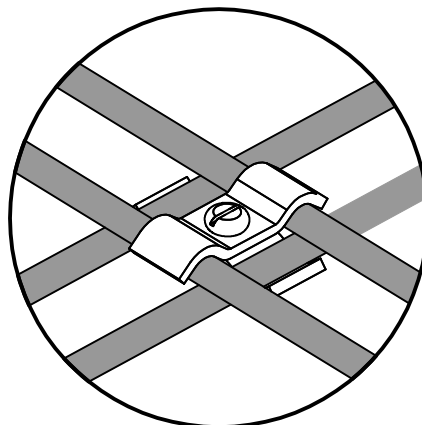

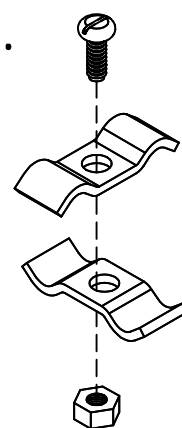

Após a montagem do montante,
vire a estante para baixo para
para prender o fundo*.

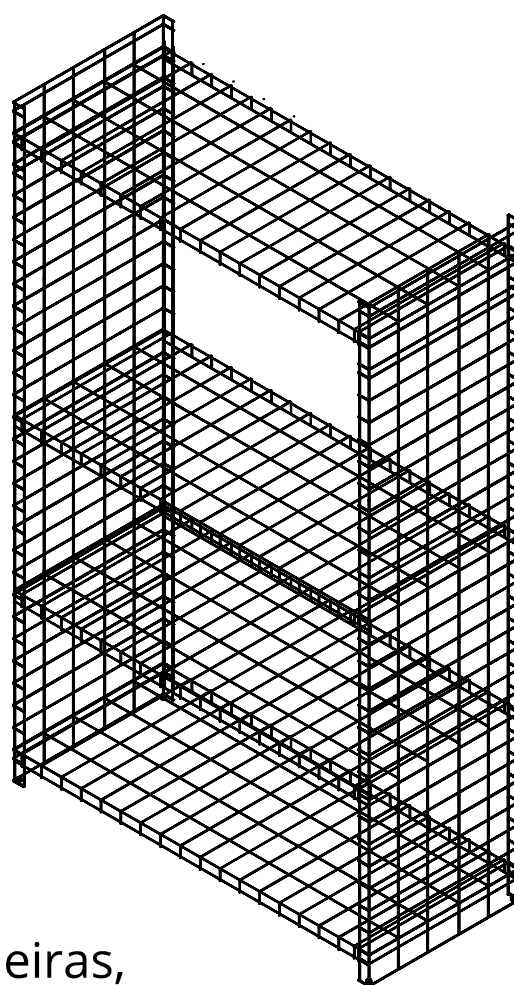

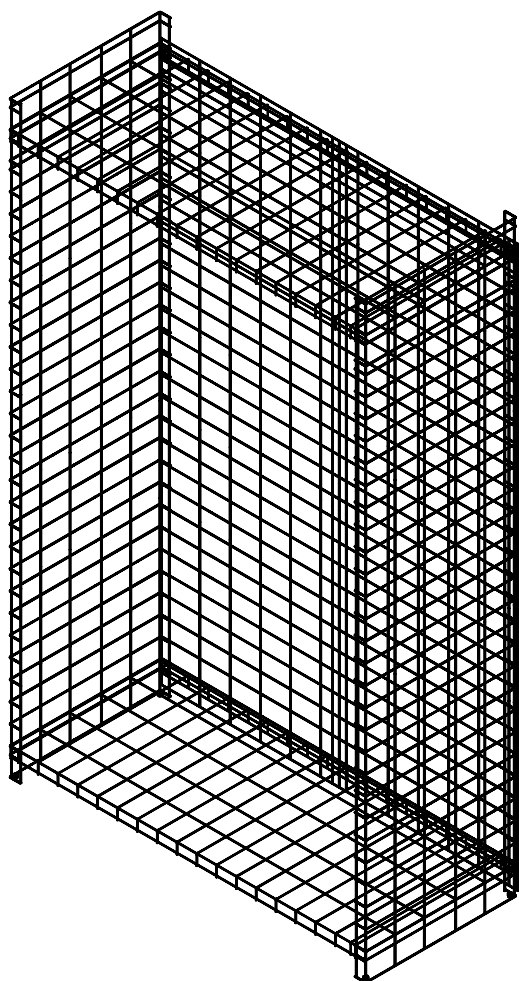

*item opcional.

Fundo*
*item opcional

Utilizar as ferragens para prender
conforme desenhos abaixo.

Para opções com mais prateleiras,
repita os passos de montagem.
