

Abra cada porta para o seu  
respectivo lado

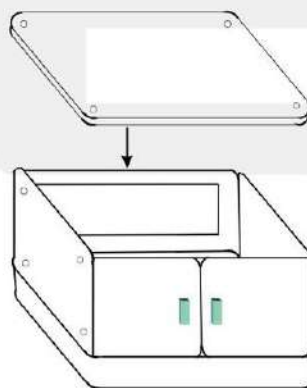

Deixando todas as partes de  
baixo unidas na caixa

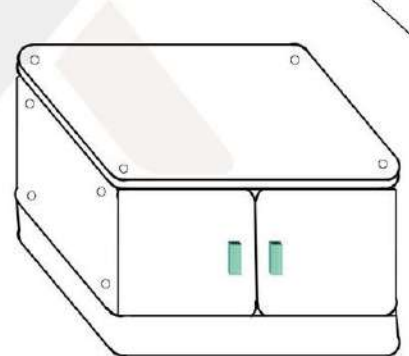

Após encaixar as laterais,  
levante a parte de trás

Encaixe as porta na posição  
vertical

Com todas as laterais encaixadas  
na vertical, colocar a tampa na  
parte superior da caixa

Finalizado a montagem, as portas  
podem ser abertas para armazenar  
os utensílios.
