This diagram illustrates the assembly of the table top. It shows the main table top panel (02) being joined to the legs (03) and crossbars (10, 11, 13, 23, 30) using screws (E) and brackets (R). The assembly is shown in a perspective view, highlighting the alignment of the components.

The diagram illustrates the installation of a panel. A large rectangular panel is shown with a circular inset providing a detailed view of a corner or edge. In the inset, two screws, labeled 'A', are shown being driven into the panel. A label 'N' is positioned next to the screws, indicating a specific part or material. The main panel also features a label '04' in a circle, likely indicating a step or part number.
