09

F3: Parafuso Philips 4,5x50mm

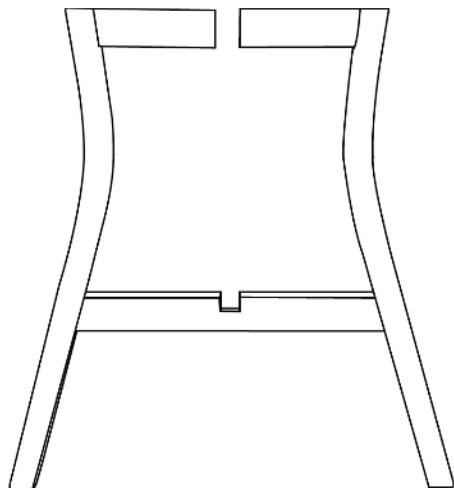

04

Ferramentas Necessárias

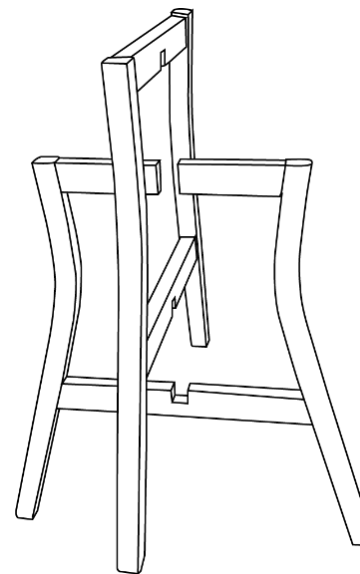

01

Em uma superfície lisa, separe a primeira parte da base a ser montada

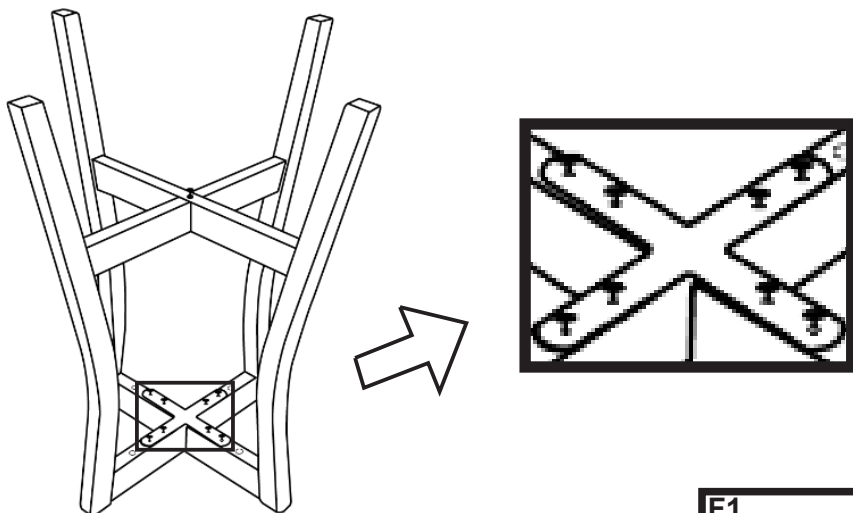

02

Com a ajuda de outra pessoa coloque a base a outra parte da base sobrepondo a primeira

03

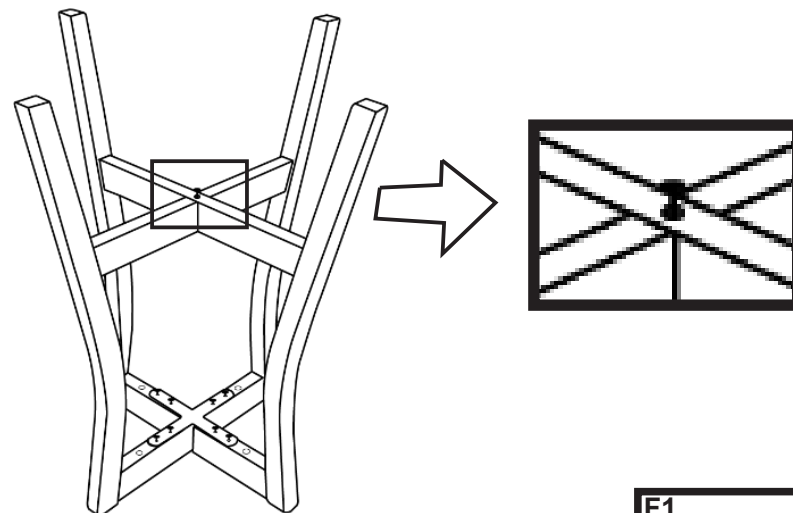

Com a ajuda de uma parafusadeira ou chave Philips, apoie o gabarito de metal na base e coloque todos os parafusos junto a base

**F1**

08

04

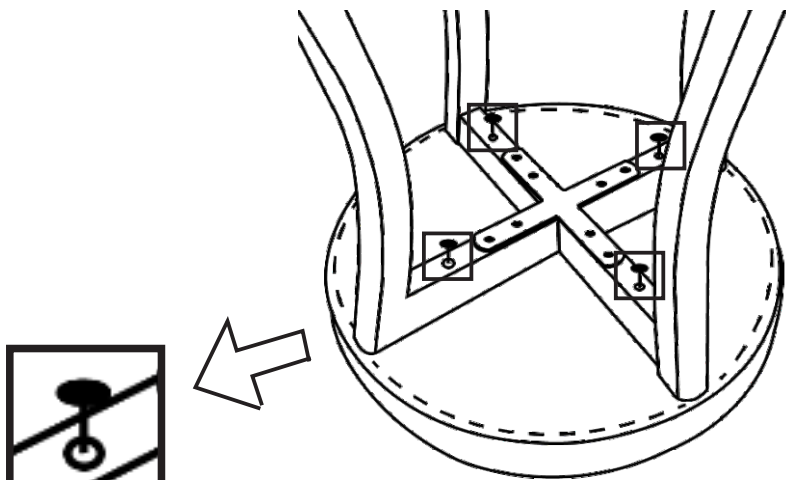

Não se esqueça também de parafusar a parte superior da base

**F1**

01

05

Com o tampo centralizado e apoiado na base utilize a parafusadeira ou a chave Philips para fixar a base no tampo

**F3**

04

06

Finalize a montagem virando sua banqueta para que agora possa ser utilizada!!
